

HELLO SPRING

TRUECARE MEDSPA NEWS

It's already **#APRIL!**
Happy Easter to our
#TRUECAREFAMILY! Wishing
you and your families many
blessings and love this
beautiful Spring season!

At Truecare Medspa, our goal
is to always provide our
patients with the newest
procedures and exceptional
customer service. We are
extremely excited for what has
been unraveling at our offices
and look forward to serving all
of our amazing patients.

Sincerely, Dr. Farzaneh MD, FACS
#TRUECARETEAM

MEET OUR **#TRUECARETEAM**

**Back Office
Medical Assistant**

**Front Office
Patient Coordinator**

Meet Cynthia, our Back office Medical Assistant at Truecare Chino Hills. Cynthia has been in the Cosmetic Surgery industry for four years and loves assisting patients with preparation for their procedures.

Meet Patty, Dr. Farzaneh's right hand patient coordinator at Truecare Chino Hills. Patty is a Medical assistant and helps run the front and back office. You can also find her assisting Dr. Farzaneh in all surgical procedures.

NEW TREATMENT ALERT!!!

Creates younger skin. Profoundly.

Truecare Chino Hills, CA 91709

INTRODUCING THE
PROFOUND RF LASER
TREATMENT

Introducing Profound RF

Profound RF is a skin-tightening treatment that uses a radio-frequency to create more collagen, elastin and Hyaluronic acid in the dermis

How Does it Work?

The device works by applying extremely precise temperatures to the dermal tissue. This exact

BEFORE

2 MONTHS AFTER 1 TREATMENT

heating creates optimal stimulation of the skin so it produces new collagen, elastin and Hyaluronic acid. Patients see smoother, tighter and more youthful skin in a little as a few weeks.

Profound is unique because it can lift, volumize and tighten with one procedure. If you want a rejuvenated and younger appearance.

IRVINE NOW
SCHEDULING

We are excited to officially announce our #TRUECARETEAM has expanded into Orange County. Nestled in the gorgeous community of Irvine, Truecare Medspa at Park Place, will include a wide variety of new treatments and cutting edge technology. This new location boasts a drop dead gorgeous floor plan designed by world renowned architect Kenneth Ussenko, who has designed feats such as the Las Vegas stratosphere hotel. With it's high end design and beach scenery, Truecare Irvine is destined to be a premiere location for cosmetic procedures.

Treatments will include:

- *CO2 Laser
- *Laser Vaginal Rejuvenation
- *E2
- *Intensif Skin Tightening
- *Endy Med 3Deep
- *Eclipse PRP Microneedling
- *PicoWay Laser
- *Profound
- *Botox
- *Dermal Fillers
- *Instalift
- and more.....
